## Swedavia appoints Kristina Ferenius as new CFO

**Swedavia has appointed Kristina Ferenius to be its new CFO as well as a new member of Swedavia's Group management team. She will assume the position by August 1.**

Kristina Ferenius has a degree of master of science with a major in business administration, from Stockholm University. She has worked for many years and has extensive experience in financial control, financial management and business development. She is currently employed as CFO of Sveaskog and prior to this worked at such companies as Specialfastigheter, Coor Service Management, the Encon Group/Enaco and Huga Fastigheter.

"I am really pleased to have the opportunity to welcome Kristina to Swedavia. Kristina has broad and relevant experience from similar positions in different kinds of companies. Her commitment, business acumen and focus on results as well as her strong leadership and active listening will contribute to Swedavia's continued development," says **Jonas Abrahamsson**, president and CEO of Swedavia.

"Swedavia has driven exciting developments in sustainability and innovation – for example, fossil-free airports. It feels really good to be involved in this continued journey with my new colleagues, and I am truly looking forward to being part of Swedavia," says **Kristina Ferenius**.

Kristina Ferenius will take over from Mats Pålsson, who will leave Swedavia this summer to pursue his own business venture.

**For further information**, please contact David Karlsson, communication strategist at Swedavia, or Swedavia's press office at tel.+46 (0) 010-109 01 00 or [press@swedavia.se](mailto:press@swedavia.se).

*The Swedavia Group owns, operates and develops ten airports across Sweden. Our role is to create the connectivity Sweden needs to facilitate travel, business and meetings. Safe, satisfied passengers are the foundation of Swedavia's business. Swedavia is a world leader in developing airports with the least possible environmental impact. In 2021, the Group had annual revenue of about 2.7 billion Swedish kronor and nearly 2,300 employees.*
